

Down with Bullies (anti-bullying poem)

By (4Morris)

A bully is a boy or a girl,
Who makes you feel bad,
Who say and does nasty things,
That make you feel sad.

A bully may chuckle,
When you slip and fall,
Bullies will taunt you,
When you're short or tall.

What if you spot someone,
Being bullied or is sad?
Tell them 'have no fear,
Help is at hand'

Tell the bully to stop,
Take care of your friend,
And make sure the bullies rudeness,
Comes to an end.

Stand up to the bully,
Try to save the day,
If you are not brave enough,
Then just walk away.

Go tell a grown up,
They'll sort it out,
Approach the adult calmly,
Do not scream or shout.

You should go to school every day,
It will be great fun,
Don't let bullies ruin your day,
Enjoy life while you're young.
