

Year 5 are Supporting the Charity Hearing Dogs

On our Transition Day from Year 4 to Year 5, we looked at different charities that helped or involved animals. We considered how dogs can support people, and thought about both adults and children who are given vital help every day from Hearing Dogs. We looked at a real life story of how a young girl's life had been transformed when she was given a Hearing Dog and decided to support this wonderful cause!

We look forward to finding out more about this charity over the course of this year and how these clever canine companions can make a huge difference to people's lives.
