

INTERNET
SAFETY

Internet
Safety

How many of you have
used computers?
What is the internet?

The internet is made of computers connected to each other around the world.

Words and pictures can be sent from one computer to another. You can look at words and pictures from a computer on the other side of the world.

When you use websites and some apps, you are using internet.

What do you use the internet for?

Games

Homework
Watch videos
Listen to music
Shopping

E-mail

Isn't the internet amazing?
It allows you to see more,
learn more and have lots of
fun.

- The internet is amazing when used safely and correctly.
- Here are some simple tips/rules that will help you make sure it stays amazing all the time.

Top Tip number

- **Never share your personal information.**
- **What is personal information?**

Top Tips

Personal information includes details about you that only people you know should know.

It is your name, address, phone number, school, e-mail or passwords.

Top Tips

- Always use a nick-name instead of your real name.
- Use an avatar instead of your real picture.

Top Tips

- **Don't give people your passwords!**
- **Change your password regularly, just in case somebody guesses it and begins to access your account.**

Top Tip number..

- **Never meet up with strangers!**
- **Who are strangers?**

Top Tips

- Strangers are people we don't know.
- Meeting strangers can be unsafe.
- Not everyone is who they say they are when they are online. They might pretend to be someone else. They may try to trick you into giving them your personal information.

Top Tips

- **Never accept e-mails from people you don't know - they might have nasty messages or a virus.**

Top Tip number..

If someone asked you to share your personal information, you might have a strange feeling.

We sometimes call this 'butterflies in your tummy'. This means that you are feeling that 'something is not right'.

Who would you talk to if you thought you were in danger?

Top Tips

You can talk to your:

- Parent
- Other family member
- Friend
- Teacher

Remember

- Never give your personal information to people you don't know
- Always use a nickname
- Never open e-mails from people you don't know
- Always ask a grown up before playing a game online
- Talk to a parent, teacher or family member if you are not sure about anything
