

Keeping Safe In School

What are the dangers in school?

Fire!

What do you do if you hear the fire alarm?

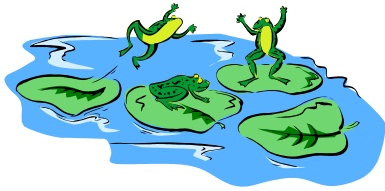

What should you do if
you are not in the
classroom?

Pond and Playground

How can you keep safe near the pond?

How can you keep safe on the
playground and
by the bushes?

Swimming

Some of you will be swimming in PE. What will you do to keep yourself safe?

How will you keep other people safe?

In the classroom

There are lots of
dangers in the classroom.
Can you think of any?

Imagine...

Imagine your friends want to go in the classroom at lunchtime. There are no teachers in there. What would you do?

Imagine...

Imagine you see someone trying to climb the school fence during lunchtime. What would you do?

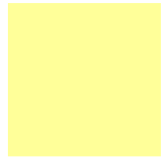

If...

If you had a problem or an issue that was worrying you or making you sad, what would you do?

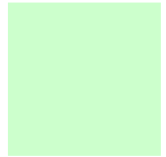

People in school who can help you...

Who is in our school?

How do we know that certain visitors are allowed in school?

What do we need to look out for?

What needs to be on show at all times?

What should you do if nothing is on show?

Keeping Safe

With the information you have seen hopefully you will know

- How to keep safe around school
- Who to speak to if you have a problem
- Who to speak to if you are feeling worried about something
- What to look out for if you do not recognise any adult in school.

**NEVER BE AFRAID TO ASK QUESTIONS
IF THERE IS SOMETHING YOU DO NOT KNOW
OR ARE NOT SURE OF 😊**
