

Tag Rugby Festival 3/3/17

Western House Academy recently attended the Tag Rugby Festival in Slough. Forty children from Years 3/4/5 and 6 were taken to this competition, which is the most ever taken to a Slough Network competition by the school!

Team One played eight games and fortunately only lost one!

All children played fantastically with Toby scoring an outstanding 17 tries and was awarded man of the match! The teamwork of all the players was incredible and they all contributed to the fantastic scores at the end of each game.

Team three played six games and for those six games each one of the players contributed and played fantastically - they won one out of the six and their teamwork was exceptional.

Team two played six games and the speed in the team was incredible! Khalid who was the little pocket rocket - once he started no one could stop him! Team two never gave up and put 110% into every match they played.

Lastly, team four played an amazing six games with each team member remembering what they had learnt in practise and putting it into action on the pitch. This showed their dedication and passion for tag rugby, which was pleasing to see.

Mr Watson is so proud of everyone who took part in this competition and for their dedication in practise which was then shown on the pitch. One thing Mr Watson did say how WHA was one of the loudest and most respected schools at the competition, which shows the teamwork and support that comes from each one of our pupils. Well done to everyone who took part.
