

English – A set of Instructions

Imagine that Florence Nightingale not only looked after patients in the hospitals but also animals.

Write a set of instructions on 'how to take care of animals'.

Think about:

A variety of time connectives
Adverbs
Fascinating facts.

Western House Academy

Spring 1 Project Passport! **Year 2**

Helping you with your learning journey for your project based learning this half term!

Maths – A new medical room for Western House Academy!

What if Mrs Snowden asked you to design and work out the cost of a new medical room for Western House Academy!

- In the room, where do you want to place Mrs Reed's chair and table?
- Where do you want to put the bed?
- How many first aid boxes would you keep and where?
- Do you want any extra beds, blankets or pillows?
- How much do you think they will cost?

Can you create a floor plan of the room using different shapes and work out the cost of each item and the total cost?

Over this half term, you are learning about **Florence Nightingale**. To help with your learning on this topic and encourage lots of research and extra fun, you are to **choose and complete 2 of these activities** from the 5 provided.

These activities are to be completed throughout the half term so you can use what you have learnt at school and complete your own research at home! They can be organised and presented in any way you want!

The deadline for your **2 chosen activities** is:
Monday 5th February 2018

Please speak with your class teacher about your ideas and if you have any questions.

Art – Create a model of Florence Nightingale

Here is your great opportunity to be a sculptor!

Create a model of Florence Nightingale.
Think about what will you use to make the statue stand up!
Use paper, cardboard or shoe boxes.
Different coloured fabric
Don't forget to design your own lamp.

Computing – Create an information booklet!

Use your computing skills to create an information booklet that includes text and images!

The booklet should include facts and information about Florence Nightingale that have been arranged in an effective and interesting way.

Science

Can you create/design a miniature garden for display in the Year 2 corridor.

- **Think about:**
- What plants you want to put in your garden?
- Do you want any garden furniture? Design them
- Do you want any climbers/shrubs?
- Will there be any gardening tools?
