

The Mighty Melody Invaders

Before the Easter Holidays, The Mighty Melody Invaders, Western House Academy's brand new feature band, played their debut 'gig' at St. Mary's Church in the centre of Slough as part of Slough Music Service's Young Musician's Festival!

The Mighty Melody Invaders (the MMIs) consist of a number of talented musicians from Year 4, a singer from Year 2, as well as some of the former GEMS members (Western House Academy's first feature band) who are now in Year 7 but still return to offer their expertise!

Playing last on the bill for the concert, the MMIs had the 'headline' slot for the evening - which is a big ask for their first ever public performance! The band were exceptional and performed their three songs with passion and finesse! The theme for their band is 'vintage reggae' and they currently play a number of Bob Marley songs with pin point accuracy!

The MMIs already have a number of 'gigs' booked in for the summer, including Western House Academy's annual Music Extravaganza, The Park Federation's Celebration Saturday as well as our Summer Fair! Look out for their performances as this is a wonderful up and coming band not to be missed!

Congratulations to all of the members on an excellent debut performance!

Mr. Robinson
