## Section 1: Introduction

The policy outlines the commitment of the staff and directors at The Park Federation Academy Trust, including at Western House Academy, to ensure that the equality of opportunity is available to all. This means, not simply treating everybody the same but, understanding and tackling the different barriers which could lead to unequal outcomes for different groups of pupils in the Trust, celebrating and valuing the equal opportunity achievements and strengths of all members of the federation community. These include:

- Pupils
- Teaching staff
- Support staff
- Parents/carers
- Academy Council Members and Board Directors
- Multi-agency staff linked to the federation
- Visitors to the federation
- Students of placement

We believe that equality within the Trust and Western House Academy should permeate all aspects of Trust life and is the responsibility of every member of the Trust and wider community. Every member of our community should feel safe, secure, valued and of equal worth.

Equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs, sexual orientations, age or any other recognised area of discrimination.

## Section 2: Monitoring and Review

Equality is identified as an area requiring careful and on-going monitoring and due regard is given of all aspects of equality. The Principals are responsible for co-ordination the monitoring and evaluation of the policy.

We regularly review the impact of our policies on the needs, entitlements and outcomes for pupils, staff and parents from the equality strands referred to in this policy. We pay specific reference to the impact that our policies have on the attainment of pupils from different groups.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through the federation. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary. Resources are available to support groups of pupils where the information suggests that progress is not as good as it should be. The Board of Directors receive regular updates on pupil performance information.

School performance information is compared to national data and Local Authority data, to ensure that pupils are making appropriate progress when compared to all schools, and to schools or academies in similar circumstances.

As well as monitoring pupil performance information, we also regularly monitor a range of other information. This relates to:

- Exclusions and truancy
- Incidents of racism, disability, sexist incidents and all forms of bullying
- Attendance

Our monitoring activities enable us to identify any differences in pupil performance. This allows us to take appropriate action to meet the needs of specific groups and to set targets in our strategic plan, in order to make the necessary improvements.

### **Section 3: Promoting Equality through the Curriculum**

#### **Learning and Teaching**

We aim to provide all our pupils with the opportunity to succeed, and to reach the highest level of personal achievement. To do this, teaching and learning will:

- Ensure quality of access for all pupils and prepare them for life in a diverse society
- Use materials that reflect a range of cultural backgrounds, without stereotyping
- Promote attitudes and values that will challenge discriminatory behaviour
- Provide opportunities for pupils to appreciate their own culture and religions and celebrate the diversity of other cultures
- Use a range of sensitive teaching strategies when teaching about different cultural and religious traditions
- Develop pupils advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality
- Ensure that the PSHE curriculum covers issues of equality, diversity, religion, human rights and inclusion
- All departments within the federation, where appropriate, promote and celebrate the contribution of different ethnic groups to the subject matter
- Seek to involve all parents and carers in supporting their child's education
- Provide educational visits and extra-curricular activities that involve all pupil groupings
- Take account of the performance of all pupils when planning for future learning and setting challenging targets
- Make best use of all available resources to support the learning of all groups of pupils
- Identify resources that support staff development

#### **Learning Environment**

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability or social background. All pupils are encouraged to improve on their own achievements. Parents and carers are also encouraged to view their own children's achievements in this light.

To secure the desired outcomes we recognise:

- Teacher enthusiasm is a vital factor in achieving a high level of motivation and good results from all pupils
- Adults in the federation will try to provide good, positive role models in their approach to all issues relating to equality of opportunity
- The Trust should place a very high priority on the provision for special educational needs and disability. We aim to meet all pupils' learning needs including the more able by carefully assessed and administered programmes of work
- The federation must provide an environment in which all pupils have equal access to all facilities and resources
- All pupils are to be encouraged to be actively involved in their own learning
- A range of teaching methods are to be used throughout the school to ensure that effective learning takes place at all stages for all pupils

## **Curriculum**

At The Park Federation Academy Trust (TPFAT), we aim to ensure that our:

- Planning reflects our commitment to equality in all subject areas and cross curricular themes promoting positive attitudes to equality and diversity
- Pupils will have opportunities to explore concepts and issues relating to identity and equality

All steps are taken to ensure that all pupils have access to mainstream curriculum by taking into account the cultural and lifestyle backgrounds of all pupils, their linguistic needs are taken into account and their learning styles considered.

## **Section 4: Ethos and Atmosphere**

- At TPFAT, we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the federation community
- There should be an 'openness' of atmosphere which welcomes everyone to the federation
- The children are encouraged to greet visitors to the federation with friendliness and respect
- The displays around the federation are of a high quality and reflect diversity across all aspects of equality of opportunity and are frequently monitored
- Although physical access to the Trust is difficult under normal circumstances, vehicular access to a school door can be easily arranged for visitors who are disabled
- Provision is made to cater for the spiritual needs of all the children through planning of both assemblies, classroom based and external based activities

## **Section 5: Resources and Materials**

The provision of good quality resources and materials within TPFAT is a high priority. These resources should:

- Reflect 'the reality of an ethnically, culturally and gender diverse society'
- Reflect a variety of viewpoints
- Show positive images of males and females in society including people with disabilities
- Reflect non-stereotypical images of all groups in a global context
- Include materials to raise awareness of equal opportunity issues
- Be equally accessible to all members of the community consistent with health and safety
- Not include explicitly and implicitly racist, sexist, homophobic or ageist materials

## **Section 6: Language**

We recognise that it is important at TPFAT that all members of our community use appropriate language which:

- Does not transmit or confirm stereotypes
- Does not offend
- Creates and enhances positive images of particular groups identified at the beginning of this document
- Creates the conditions for all people to develop their self-esteem

## **Section 7: Extra-Curricular Provision**

It is the policy of this federation to provide equal access to all activities from an early age e.g. girls playing football, boys playing netball and mixed teams where appropriate.

We undertake responsibility for making contributors to extra-curricular activities aware of the federation's commitment to equality of opportunity.

We try to ensure that all such non-staff members who have contact with children adhere to these guidelines and are DBS checked.

## **Section 8: Provision for Bilingual Pupils**

We undertake at TPFAT to make appropriate provision for all EAL (English as an Additional Language)/bilingual children/groups to ensure access to the whole curriculum. These groups may include:

- Traveller and gypsy Roma children
- Those from refugee families
- Pupils for whom English is an additional language (EAL)
- Pupils who are new to the United Kingdom

## **Section 9: Personal Development and Pastoral Guidance**

- All staff take account of disability needs, gender, religious and ethnic differences and the experience and needs of particular groups such as Gypsy Roma and Traveller, refugee and asylum seeker pupils
- All pupils are encouraged to consider the full range of career opportunities available to them with no discriminatory boundaries placed on them due to their disability, gender or race
- All pupils/staff/parents/carers are given support as appropriate when they experience discrimination. We also recognise that the perpetrators of discrimination are themselves sometimes victims of their personal circumstances and therefore where appropriate remedial work is done to ensure that the actions do not occur again
- Positive role models are used throughout the school to ensure that different groups of pupils can see themselves reflected in the school community
- Emphasis is placed on the value that diversity brings to the school community rather than the challenges

## **Section 10: Staffing and Staff Development**

We recognise the need for positive role models and distribution of responsibility among staff. This must include pupil's access to a balance male and female staff at both key stages if possible.

We undertake to encourage the career development and aspirations of all individuals.

It is our policy to provide staff with training and development, which will increase awareness of the needs of different groups of pupils in the various dimensions of equality of opportunity.

### **Staff Recruitment and Professional Development**

- All posts are open to the widest pool of applicants
- All those involved in recruitment and selection are aware of what they should do to avoid discrimination and ensure equality good practice through the recruitment and selection process
- If necessary, steps are taken to encourage people from under-represented groups to apply for positions at all levels of the Trust
- Access to opportunities for professional development is monitored on equality grounds
- Equality policies and practices are covered in all staff inductions
- All supply staff are made aware of equality policies and practices

It is the duty of this federation to challenge all types of discriminatory behaviour e.g.:

- Unwanted attentions (verbal or physical)
- Unwelcome or offensive remarks or suggestions about another person's appearance, character, race, ability or disability, sexuality, gender (or transgender)

The Trust has a clear, agreed procedure for dealing with incidents such as these.

## **Section 12: Partnerships with Parents/Carers and the Wider Community**

We aim to work in partnership with parents and carers to help all pupils to achieve their potential.

We wish to affirm our continuing commitment to reach out to all diverse groups within our immediate community and beyond. We would do this by:

- All parents/carers being encouraged to participate at all levels in the full life of the federation
- Encouraging members of the local community to regularly join in federation activities e.g. Eid celebrations, harvest festival, etc.
- Exploring the possibility of the federation having a role to play in supporting new and settled communities

## **Section 9: Responsibility for the Policy**

In our federation, all members of the school community have a responsibility towards supporting the equality agenda. Responsibilities are laid out as follows:
