

PUPIL LEADERS IN WESTERN HOUSE ACADEMY

SPRING TERM UPDATE

Pupil Leader Role	Librarians
Main responsibilities	Keeping the books in the correct order. Listening to Year 1 readers daily. Monitoring children coming in and out at lunchtime. Helping visitors to our book week fair
Update from this term (from leader)	The librarians were rewarded for all their hard work this half term by Mrs Irvine. When our visitor, Lawrence Prestidge, a local author came to visit, Mrs Irvine bought them all lunch which they shared with the visitor. They then accompanied him for the afternoon as he shared his new book with KS2.
Update from this term (quote from children)	It is a fun and educational place. We love to read with the children. We love to watch the children's progress. Our main hobby is reading!
Aims for next term	<ul style="list-style-type: none">• Decide on a rota for the library so that the librarians are able to take part in other lunchtime activities.• Continue to help keep the library on track, especially when the new books arrive.• Start to introduce the current Year 5's to library duties.
