

Boccia Competition

On Friday 20th January Western House Academy participated in a boccia competition, organised by the Slough Schools Sports Network, and competed against other schools in Slough and Langley. We took 2 teams to this event and each child was representing the school for the first time at a competition, it's safe to say they were all very excited.

Team 1

Sandhya – Year 6

Esther – Year 5

Veer – Year 6

Team 2

Ayaan A – Year 3

Ethan – Year 1

Robert – Year 4

Both teams played four schools in their group games, winning 2 and losing 2, and finally finishing 2nd in their separate groups. All children had a fantastic experience and were thrilled at receiving their participation medals.
