

Federation football competition

Our Year 5 and 6 football team went to Sandgate football club in Hayes for this year's federation football competition full of confidence after weeks of excellent training.

This year's team consists of Justin As goalkeeper, Kieran, Lucas and Maks as our defenders, Dylan (captain), Reece, Kacper and Ryan as midfielders and the only year 5 of the team Joshua as attacker.

Group stage -

- Western House 0-0 Montem
- Western House 1-0 James Elliman
- Western House 0-0 Godolphin
- Western House 0-0 Cranford Park
- Western House 1-0 Wood End Park

We finished 2nd in our group behind Wood End Park scoring only 2 goals but conceding none. This meant we had qualified for the final. The score lines may not show the dominance the Western House team had throughout each match.

The Final -

- Western House 1-0 Wood End Park

The team replicated the score in the group stage against Wood End Park to claim victory, another dominant display with Ryan coming on as a super sub to score the winner with his 1st touch.

Well done boys you showed positivity, teamwork and tenacity throughout the entire competition and have now made Western House back to back football champions.

Mr Beckett
