

## Year 5 Weekly Update Friday 7<sup>th</sup> December 2018

### Dear parents and carers.

Following on from our work on Eastern Europe, each class has chosen a country to display in their classroom. **5 Ezra** are looking at Poland. **5 Wham** are exploring the Czech Republic and **5 Coldplay** are highlighting the attractions of visiting Hungary. The children will have used the internet to discover the places of interest for visitors to these countries.

### English:

Using the format of a non-chronological report the children have been looking at composing features for a mythical creature; for example a unicorn. They have broken down the aspects of describing their own unicorn into: diet, habitat, powers and appearance.

### Maths:

Continuing with our study of shape, we have been looking at reflective symmetry. The children have been learning to recognise the correct reflection of a shape by studying the outline points on a grid. They have then developed this further by being able to plot the reflected 2D shapes using co-ordinates. I'm sure you will agree, this is a challenging skill!

### Computing in Year 5

This half term we continued a collaborative piece of work - a Values map of our school. In our groups we finished our plan, took photos of each other demonstrating and acting the WHA Values and some of us began inserting those photos into our map document.

### Attendance

5 Coldplay	97%	5 Ezra	99%	5 Wham	91%
------------	-----	--------	-----	--------	-----

### Notes for the Diary:

**Friday 7th December – Mufti Day in return for donation to the Christmas Fayre**

**Thursday 13th December – Year 5 Christmas Disco 3.45 – 5.00 pm.**

**Friday 14th December – Christmas Jumper Day and Christmas Fayre**

**Thursday 20th December – 2:00pm End of Autumn Term**

*Thank you for your continued support.*     **The Year 5 Team**
